

Welcome to Footgolf Fours!

Build your very own Footgolf Dream Team — it's as simple as that.

1. Rules

- 56 players (from Men's, Seniors, and AM categories) are available for selection.
- To ensure fairness, other categories are not included as they use different tees.
- Pick a squad of **4 players**.
- Your total budget is **30M** — do not exceed it.

2. Scoring

- There are **8 events** where points can be earned.
- Points are awarded based on each player's final standing at an event.
- An absolute leaderboard (on GG) will be created, consisting only of the 56 eligible players.
- If a player does **not** finish in the **Top 20**, they receive **0 points** for that event.

3. Transfer Windows

- There are **two** transfer windows during the season.
- They occur **after Event 3** and **after Event 6**.
- During a transfer window, you may make up to **2 substitutions**, without exceeding your total **30M** budget.
- Points earned by players **before** you transfer them out are kept.
- Players transferred **in** start on **0 points**, and only their future scoring counts.
- Player values remain **fixed** for the entire season.

4. Prizes

- This is a fun game with bragging rights on the line — can you beat your mates?
- Additional prizes may be donated by the Association as the season progresses.
